

The 10<sup>th</sup> international workshop on bismuth-containing semiconductors held in Toulouse from the 21st to 24th of July 2019 is supported by the NEXT project.

NEXT, the Excellence laboratory in “Nano, EXtreme measurements and Theory” gathering six laboratories from Toulouse University, will award a price for the best presentation given by a student.

This award will be given by the NEXT director or one of his representatives.

During the workshop, the attendees will have the opportunity to visit one or several NEXT laboratories belonging to the NEXT laboratories.
